Profile

Hi! My name is Dumitru, I started to learn web development in 2021 and still learning. I love to create modern websites, also I like to build games and apps using JavaScript being the best way in my opinion to connect some knowledge and make something cool. What I want for the future is to keep growing upmy skills for a better performance.

Education

Informatique, University Vasile Alecsandri

Bacau, Romania | July 2024 - Graduated

I love this place. I met people who helped me in programming and in life. 🤝

Professional experience

Web Developer, Deosebit Soft

Bacau | 01.05.2023 - 01.10.2023
